

2022-23 ski season

Dear Media Partner,

Thank you very much for taking the time to learn about Diamond Peak Ski Resort during our 57th winter of operations. Opening Day is scheduled for Thursday, Dec. 8, 2022 this winter, conditions permitting.

If you have never experienced Diamond Peak, this press kit should be a good introduction; however, the best way to get acquainted with this unique resort is to come see it for yourself. If you ski or snowboard, we would be happy to give you a full tour of the mountain this winter. For those unable to join us on the slopes, we are happy to arrange Base Area tours upon request.

Diamond Peak is located above Incline Village, Nevada, on the north shore of Lake Tahoe – just up the hill from the Hyatt Regency Lake Tahoe Resort, renowned restaurants and brewpubs, and a huge range of outdoor activities. The Tahoe area offers the highest concentration of ski resorts in North America, from world-famous names to hidden gems like Diamond Peak – a community-owned resort known for having Tahoe’s best view, best value, and a friendly atmosphere that skiers and riders looking to avoid the big corporate resorts love.

Back in 1966, while the community of Incline Village was still in its defining stages, Oklahoma native Art Wood envisioned a four-season resort community – a “Pebble Beach of the Sierra” – and hired Austrian ski consultant Luggi Foeger to design and build Ski Incline as one of the pillars of that vision. Ski Incline opened its lifts in November of 1966 with the first snowmaking system in the Lake Tahoe region. In 1987, the resort developed the upper mountain with the addition of the Crystal Quad – doubling the resort’s skiable acreage, adding more advanced terrain, and spurring the name change to Diamond Peak.

Photos: Should you require photos, logos or other graphics, you can access a great selection at this shared Google Drive folder: <https://bit.ly/dp-pressphotos> (Please read the photo usage agreement found in that folder.)

You will see from our photo archive that Diamond Peak offers the most incredible views of Lake Tahoe. Views of the lake are best seen from Crystal Ridge and Snowflake Lodge, but guests can also enjoy lake views from the beginner slopes, Base Lodge deck and even the parking lot. Our HD webcams, mounted on the top of Crystal Ridge, at Snowflake Lodge and around the resort allow you to check conditions from the comfort of your screen.

If you have any further questions, need additional material, or would like to come tour the mountain on assignment, please do not hesitate to contact us. We look forward to working with you.

Sincerely,

Paul Raymore

What's new at Diamond Peak for the 2022-23 ski season

Convenience of RFID access gates, expanded special events and programs

INCLINE VILLAGE, Nev. (Sept. 2022) – Diamond Peak Ski Resort's projected Opening Day for the 2022-23 ski season is Thursday, Dec. 8, 2022, conditions permitting.

Why Diamond Peak is different: Community-owned, fiercely independent and community-driven – those are the key differentiating factors that make Diamond Peak distinct in the crowded Lake Tahoe ski resort scene. “Small but exciting” would be another apt description, because with 1,840 vertical feet of skiable terrain packed into 655 acres just a mile from Lake Tahoe, Diamond Peak offers the 4th most skiable vertical in the Tahoe Basin (according to the independent website mountainvertical.com). Add in panoramic Tahoe views from nearly every run on the mountain, incredible glades for tree skiing/riding, and Tahoe's most progressive terrain park (The Village), and it's no wonder locals know Diamond Peak to be Tahoe's “hidden gem.”

As a community-owned ski resort, Diamond Peak stands out in the Tahoe Basin and greater U.S. ski industry as a beacon to skiers and riders looking for a friendly, non-corporate vibe. In addition, as the only Lake Tahoe resort to achieve [STOKE Certified status](#), it's a great choice for skiers and riders concerned about supporting environmentally sustainable resorts.

Installation of RFID access gates: Diamond Peak is excited to announce the installation of new Radio Frequency Identification (RFID) access gates at the Lodgepole, Lakeview, School House and Crystal Express chairlifts this winter – providing hand-free/touch-free convenience for season pass and lift ticket holders.

“Waiting in lift lines, while rare at Diamond Peak, is never fun. The new RFID access gates should speed up the loading process, allowing for greater efficiency and shorter wait times,” said Mike Bandelin, general manager of Diamond Peak. “Over the past few seasons, RFID lift access technology has truly become an industry standard at other high-end ski resorts, and we're happy to be able to roll out this convenient new way to ride our lifts this season.”

In addition to the convenience for current season pass holders, the new RFID technology will make it easier for the resort to introduce new lift access products that will make skiing and snowboarding even easier for our Incline Village and Crystal Bay residents.

Relocation of Village Terrain Park: The medium- and large-sized features in Diamond Peak's Village Terrain Park (VTP) are moving for the 2022-23 ski season to the Spillway run, opening up the ski runs known as Penguin and Dusty's for traditional groomed skiing and riding this winter. Smaller VTP jumps and features will still be located near the bottom of the Wiggle run (in the same zone they were located last season), while the Jump Start Park for first-time terrain park users will also remain in the same location as last season – the bottom of Popular trail.

The Spillway location for the VTP's medium and large features is actually a return to the terrain park's location prior to the 2018-19 ski season, so the park crew is very familiar with the potential for this location. With its wide open layout and consistent grade, Spillway allows the park crew to build features that flow smoothly from one to the next, ensuring riders have just the right amount of speed to hit each feature in the park.

Skiers and riders looking for additional groomed options on the lower mountain will be excited to explore the Penguin and Dusty's groomers, accessible via the Lakeview Quad, Red Fox double, and Crystal Express chairs.

New surface lift for Child Ski & Ride Center: Parents of Diamond Peak's youngest skiers and riders will be happy to see a brand-new magic carpet style surface lift in the dedicated learning zone that is exclusive to kids ages 3 to 6 enrolled in Child Ski & Ride Center lesson programs. As one of Diamond Peak's signature lesson programs, the Child

MEDIA CONTACTS:
Paul Raymore, Marketing Manager
(775) 832-1120, par@diamondpeak.com
Jaclyn Ream, Marketing Coordinator
(775) 832-1117 jmr@diamondpeak.com

Ski & Ride Center has a dedicated learning area that offers the perfect gentle slope for children just learning how to use their equipment, stop, and make their first turns; and the new surface lift will make that process more efficient and reliable for years to come.

Newly named glade zones: Diamond Peak's gladed tree skiing zones are the place to be on storm days. This advanced terrain is a playground for experts filled with natural obstacles like pillows, rock drops and more. Diamond Peak offers 655 skiable acres, and almost 500 acres of that is gladed tree runs. Thanks to a partnership with the U.S. Forest Service, local fire crews and our summer maintenance staff, the resort has cleared out many of the smaller trees and brush in these zones, making them healthier forests, less prone to wildfire, and as an added bonus, incredibly fun for skiers and riders.

Bonus lift tickets for season pass holders: Diamond Peak's 2022-23 season pass holders will enjoy 57 complimentary lift tickets at 19 partner resorts across the country this winter – generally three days at each resort. Participating resorts include: Beaver Mountain (UT), Beech Mountain (NC), Bogus Basin (ID), Brundage (ID), Cherry Peak (UT), Cooper (CO), Eaglecrest Ski Area (AK), Homewood Mountain Resort (CA), Lee Canyon (NV), Loup Loup Ski Bowl (WA), Mission Ridge (WA), Mt. Ashland (OR), Mt. Shasta Ski Park (CA), Red Lodge Mountain (MT), Snow King (WY), Snow Valley (CA), Sunlight Mountain (CO), Tahoe Donner XC & Downhill (CA), and Wachusett Mountain (MA).

Every Diamond Peak pass holder also receives four discounted Bring-A-Friend Tickets, which can be used to bring friends to Diamond Peak. Visit DiamondPeak.com for details, restrictions and the full list of perks.

Guided after-hours snowshoe hikes: Join guides from the Incline Village Parks & Recreation Department for Community After-Hours Snowshoe Hikes to Diamond Peak's Snowflake Lodge. The snowshoe hikes offer non-skiers the chance to enjoy the slopes of Diamond Peak in wintertime and encourage exercising in a social setting. The 1.5-mile (3 miles round trip) hikes includes guides, exclusive after-hours access to Diamond Peak and Snowflake Lodge, s'mores and hot cocoa. There will also be light fare available for purchase at Snowflake Lodge. See DiamondPeak.com/events for reservations and more information.

Diamond Peak History & Sustainability

Diamond Peak Ski Resort began in 1966 as Ski Incline, the brainchild of Incline Village developers Art Wood and Harold Tiller. Wood had a master plan for a year-round, resort community at Lake Tahoe – Incline Village was to become the “Pebble Beach of the Sierra” – and in 1966, Wood and Tiller hired Austrian ski consultant Luggi Foeger to design and build Ski Incline.

Initially proposed on the slopes of Rose Knob Peak (the flat-topped peak to the north of Incline Village), Foeger recognized immediately that Rose Knob Peak would never work as a ski area due to its lack of beginner and intermediate level terrain and the south-facing orientation of the slopes (meaning it received too much sun during the winter for a dependable ski season). After exploring the peaks and ridges around Incline, Foeger chose the current location of the resort because it had an excellent variety of terrain, faces north-northwest, is easily accessed from the center of Incline Village, and offers beautiful views of Lake Tahoe.

The one drawback to the resort’s location – its relatively low elevation and proximity to the air-warming waters of Lake Tahoe – was addressed by installing the first snowmaking system in the western United States. And on November 19, 1966, after only four months of construction, Ski Incline opened its doors. That first season turned out to be a great one, with the resort operating for its longest season on record to date – 170 days from November 19, 1966 until May 7, 1967.

In 1987, Ski Resort Manager Jurgen Wetzstein led the development of the upper mountain and the addition of the mile-long Crystal Quad chairlift to reach the top of the peak. This expansion doubled the resort’s skiable acreage and added more advanced terrain. With the increased acreage, the resort extended the snowmaking system to cover the upper mountain along with adding more grooming equipment. Since most of the new trails were black diamonds, Ski Incline was renamed Diamond Peak.

With the turn of the century, Diamond Peak embarked on a two-part capital improvement project, expanding the snowmaking system to permit snowmaking capabilities on 75 percent of developed terrain, and renovating the mid-mountain Snowflake Lodge with a new wrap-around deck featuring panoramic views of Lake Tahoe and the Sierra Nevada mountain range. In 2003, Diamond Peak replaced its old Crystal Quad with the high-speed detachable Crystal Express quad to the top of the mountain.

In 2008, Diamond Peak renovated the base lodge to include an expanded rental shop, the third-floor Loft Bar and 300-square-foot Loft Bar outdoor patio, a 300-square-foot meeting room, new restrooms, fixtures, siding and more. In the summer of 2009, Diamond Peak once again rebuilt its snowmaking system to allow for more efficient snow production. In 2010, Diamond Peak completed a large renovation project with a new Skier Services Building, featuring a plaza area, ticket windows, Child Ski & Ride Center, Ski Patrol headquarters, and offices.

In 2013, the resort began the process of updating its Master Plan to revisit the potential for future development and potentially introduce summer activities.

During the spring of 2018, Diamond Peak was recognized for its sustainability initiatives as the first ski resort in Lake Tahoe to become STOKE Certified. As one of the early adopters of the STOKE Snow certification program during the 2015/16 season, our community-owned ski resort has been diligently following our Roadmap Report to achieve best practices in snowmaking, interpretation, waste diversion, and community development. STOKE Certified — the Sustainable Tourism and Outdoors Kit for Evaluation — is the world’s first sustainability certification body with standards built specifically for surf and ski tourism operators. The mission of the organization is to assist resorts in developing systematic approaches to sustainability, environmental responsibility, customer loyalty and staff retention.

(775) 832-1117 jmr@diamondpeak.com

During the 2017/18 ski season, Diamond Peak was evaluated against the 110 criteria in the STROKE Snow standard by an independent evaluator. The ski area achieved an overall compliance score of 78% across all four categories of sustainability performance, making it the second STROKE Certified ski area worldwide, behind Oregon's Mt. Ashland Ski Area.

Diamond Peak continues to make improvements to snowmaking – including the purchase of four new TechnoAlpin high-efficiency TR8 snow guns during the 2019-20 ski season, and an additional four TR8 snow guns and one TT10 tower-mounted snow gun for the 2021-22 season – and is continually assessing the system for upgrades to maximize snowmaking capacity and efficiency. Diamond Peak has also upgraded its grooming fleet with the addition of PistenBully 400 ParkPro snowcats during both the 2017-18 and 2019-20 seasons, and a new PistenBully 600 Park snowcat for the 2021-22 season.

Diamond Peak Ski Resort is one of many resorts that recognizes global warming and the effects that pollutants have on our environment. These are a few things that Diamond Peak has done and continues to do to join the cause in helping our winters stay cool:

- Installed two ChargePoint electric vehicle charging stations at Diamond Peak (upper lot).
- Installed automated thermostats in our facilities, thereby reducing our energy use by at least 20%.
- Continually upgrade our snowmaking system to use newer, more energy-efficient technology including advanced TechnoAlpin fan guns and low-energy HKD snow guns.
- Installed Evolution (EVO) boilers for more efficient heating in the Skier Services Building.
- Offering two free ski shuttles that pick up in and around the Incline Village community.
- Installed dual-flush toilets, thermal windows, and new lighting to conserve water and energy.
- Installed hydration stations with sensors to encourage the use of reusable beverage containers, which are sold in the food court.
- Educate employees and the community through IVGID's Waste Not programs and signage.
- Encourage recycling by making recycling bins readily available.
- Participate in "Take Care Tahoe" regional sustainability campaigns.
- Control soil erosion through slope maintenance, BMPs, and water bars to help protect Tahoe's water clarity.
- Completed STROKE evaluation and received STROKE Certification in 2018.
- Use recyclable and biodegradable containers and utensils in food and beverage outlets.
- Print trail maps using mineral-based "stone paper" resulting in more durable/reusable product and no trees being harvested to produce paper.

Diamond Peak Deals

Special offers valid for the 2022-23 Ski Season

Interchangeable Parent's Pass – The interchangeable Parent's Pass is a transferable lift ticket that allows parents to take turns skiing while the other watches the little ones. Simply purchase a regular adult lift ticket online and ask for a Parent Interchangeable lanyard at the Will Call windows when you pick up your tickets.

Multi-Day Tickets – The more you ski, the more you save with a multi-day ticket. Multi-day tickets are available in 2-day and 3-day increments and can be purchased online.

Kids 6 & Under, Seniors 80+ Ski Free – Children ages 6 and under and seniors 80 and over always ski free at Diamond Peak.

Beginner Lift Tickets – Diamond Peak offers a beginner lift ticket valid for the Lodgepole and Schoolhouse chairlifts and the beginner terrain they access for a discounted rate. Skiers and snowboarders can also upgrade their beginner lift tickets to an all-mountain ticket at any time by paying the difference in cost.

Note: Peak periods at Diamond Peak are Dec. 23, 2022 – Jan. 8, 2023; Jan. 13-16, 2023; Feb. 17-26, 2023.

Learning to ski or snowboard at Diamond Peak

Diamond Peak's professional instructors, low student-to-instructor ratio, dedicated children's learning area, gentle beginner slopes, and a friendly environment provide an ideal place for first-time skiers and snowboarders and those looking to improve their skills and confidence.

Child Ski & Ride Center (Ages 3-6)

The Diamond Peak Child Ski & Ride Center provides a safe and fun learning environment for kids ages 3-6 with a separate learning area, dedicated surface lift, and instructor-to-child ratio of 1:6. Parents register their children and then our friendly staff takes care of everything else inside our kid-only zone. Lift tickets and rental equipment are included with all lessons and children get their rental equipment right inside the Child Ski & Ride Center. Both group and private lessons are offered through the Child Ski & Ride Center.

Ski & Ride Center (Ages 7+)

The Diamond Peak Ski & Ride Center offers group and private lessons for beginners to advanced skiers and snowboarders. Groups of 2-5 people of similar ability can take a "friends & family" private lesson and learn or improve together with a dedicated instructor just for their group. Individuals of any level can register for traditional one-on-one private lessons, for as little as one hour up to all day (6 hours). Group lessons are offered for youth (ages 7-12) of all ability levels, and for adults (ages 13+) who are beginners or first-time skiers or snowboarders.

Weekly Specialty Clinics

Diamond Peak will offer a selection of specialty ski clinics designed to foster a lifelong love of the sport and build community amongst participants. The Wednesday 55+ clinics, put on by the Incline Village Recreation Center Senior Programs team, and the Tuesday Skeesters women's ski clinics both return for another season. Instruction is designed to help skiers improve, adjust, or modify techniques and encourage skills and habits that support lifelong skiing. See DiamondPeak.com/events for dates, reservations and more information.

View lesson pricing and details at www.diamondpeak.com/lessons-rentals.

Diamond Peak Signature Events for 2022-23

December 24-25: Santa & Penguin Pete visit – Every year, Santa Claus and his trusty sidekick Penguin Pete (Diamond Peak’s official mascot) greet kids of all ages on the slopes of Diamond Peak. Catch these two lovable characters in and around the Base Area as well as on the slopes from 11 a.m. to 1 p.m.

Interpretive Mountain Tours: Select Saturdays at 10:30 a.m. - In partnership with the Incline Village General Improvement District’s Waste Not conservation staff and the Tahoe Institute for Natural Science (TINS), Diamond Peak will offer a series of guided interpretive ski/snowboard tours of the mountain this winter. Program participants will meet at the Base Lodge with a guide before touring the mountain to discuss the unique plant and animal life that flourishes within the ski area’s boundaries, as well as the history of the resort, of Incline Village and the Lake Tahoe region as a whole. Dates for the 2022-23 season are TBD – please check diamondpeak.com/events for details.

Feb. 3: Annual Ullr Fest Party, Bonfire & Torchlight Parade – The 13th annual Ullr Fest, to raise funds for the Diamond Peak Ski Team, will be Friday, Feb. 3, 2023. The action-packed evening includes a torchlight parade, bonfire, and live music. Festival goers can expect fun games for kids of all ages, great drink specials, and an incredible community vibe. Come dressed in your Ullr attire as prizes will be given for best costumes.

Select Wednesdays, February – April: Last Tracks Wine/Beer Tastings – On select Wednesdays beginning in February through the end of the ski season, enjoy beautiful views of Lake Tahoe from Snowflake Lodge while tasting fine wines or craft brews paired with tasty appetizers. At the end of the event, ski or snowboard down a freshly groomed run at sunset. Last Tracks tickets include a lift ticket valid from 12-4 p.m. Participants must be 21 years old to attend and ski or snowboard at an intermediate level. Buy tickets in advance at the ticket windows or online at DiamondPeak.com. Tickets go on sale in mid-January and space is limited.

Select Fridays, January - March: Community After-Hours Snowshoe Hikes to Snowflake Lodge – Join guides from the Incline Village Parks & Recreation Department for evening Snowshoe Hikes to Diamond Peak’s Snowflake Lodge. The snowshoe hikes offer non-skiers the chance to enjoy the slopes of Diamond Peak in wintertime and encourage exercising in a social setting. The 1.5-mile (3 miles round trip) hikes includes guides, exclusive after-hours access to Diamond Peak and Snowflake Lodge, s’mores and hot cocoa. There will also be light fare available for purchase at Snowflake Lodge. See DiamondPeak.com/events for reservations and more information, or call (775) 832-1310. Pre-registration is required.

March 25-26: Luggi Foeger Uphill/Downhill Festival – The Lake Tahoe Basin’s premier SkiMo competition and an incredibly family-friendly event - race to the top of the mountain using whatever human-powered method you prefer – skins, snowshoes, running shoes, etc. Then ski, snowboard, snowshoe, or run back down to the finish line. For those of a less competitive nature, a recreational course will be available. The event will also include fun activities in the base area including ski boot races, live music, awards ceremony, and more! For those less competitive, join us for a winter-wildlife snowshoe hike Sunday morning.

April 1: 21st annual Dummy Downhill – Join us for the 21st annual Dummy Downhill where participants build a dummy on skis or snowboards that gets launched off of a big jump, while spectators get to watch as unique characters fly down the hill or crash hard. This is Diamond Peak’s signature spring event, the biggest party of the year, and the perfect way to celebrate April Fool’s Day. Even non-skiers will want to come watch the madness! A panel of celebrity judges (and the public) will evaluate all Dummies on the snow by the Base Lodge, followed by the dummy launch and an awards ceremony. Prizes and certificates are awarded for creativity, best crash, furthest distance, and more.

Last Tracks Wine & Beer Tastings at Snowflake Lodge

A signature après ski experience at Diamond Peak

Take part in one of Lake Tahoe's most unique on-mountain events this winter with Diamond Peak's Last Tracks Wine/Beer Tasting events, held on select Wednesday afternoons from the beginning of February through the end of the ski season. While there's usually a rush to catch the first chair of the day, skiers and snowboarders at Diamond Peak have the opportunity to take advantage of an afternoon lift ticket valid from 12 to 4 p.m. followed by a final chair ride up to Snowflake Lodge to experience breathtaking views, wine or craft beer tastings paired with delicious appetizers. When the event is over, participants enjoy one final run down a freshly groomed trail.

Last Tracks features a different winery, brewery, or themed flight each week. Some of the past favorites have included Rodney Strong Vineyards, J Winery, New Belgium Brewery, Francis Ford Coppola Winery, Wente Vineyards, Alibi Ale Works, Ferrari Carano Vineyards, and a "Wine Tour of Italy." The 2023 schedule will be announced in January and tickets will be available to purchase at DiamondPeak.com and at the resort in mid-January.

Last Tracks tickets include a ski lift ticket valid from 12 to 4 p.m. Diamond Peak season pass holders receive a discount on Last Tracks tickets. Participants must be able to ski or snowboard down an intermediate run and be 21+ to attend, no exceptions. Last Tracks regularly sells out and advance reservations are highly recommended.

Diamond Peak group rates & special event venues

Our dedicated sales and events department is ready to help plan your group ski day, private event or winter wedding

Diamond Peak offers affordable group rates and packages at the ski resort, in addition to venue rentals for private events, weddings, and meetings at the nearby Chateau at Incline Village™.

Groups Rates and Packages

Groups of 15 or more people can save up to 20% per day on group lift tickets when purchased in advance through our group sales department. With discounted group rates, convenient parking, amazing Tahoe views, and a perfectly designed trail system for groups that easily returns skiers to the Base Lodge (and the bar), Diamond Peak Ski Resort is a must-visit destination for ski groups. For information or reservations, please contact sales@diamondpeak.com.

Private Events, Weddings and Venue Rentals

The Incline Village General Improvement District, which manages Diamond Peak, offers a variety of meeting and event spaces to meet the needs of most groups and private parties. The Chateau at Incline Village™ - just down the street from the ski resort – is perfect for weddings, meetings, and events, with vaulted timber ceilings, large stone fireplaces, spacious covered decks and expansive mountain and lake views. The 5,200 square foot Grand Ballroom can easily be divided into three rooms to fit the size and style of any event small or large.

Bridal Party Ski Photo Shoot

Perfect for ski or snowboard enthusiasts, Diamond Peak has stunning lake views that make a beautiful backdrop for wedding photo shoots. Brides, grooms, or entire bridal parties can have a ski photo shoot on our slopes. Please contact marketing@diamondpeak.com to pre-arrange any professional photo shoots.

Group Lodging and Transportation

There are several lodging options to choose from in Incline Village and North Tahoe including luxury resort hotels, condo rentals, charming inns and lakeside rental homes of all sizes. The Hyatt Regency Lake Tahoe Resort, Spa, and Casino is the closest hotel, offering deluxe accommodations just 1.5 miles from the chairlifts at Diamond Peak. Our complimentary ski shuttle transports guests throughout the day from the Hyatt and other locations around Incline Village to Diamond Peak.

Ski lodging near Diamond Peak

Local accommodations to fit any budget from private homes to the Hyatt Regency Lake Tahoe

Plan your ski trip to Diamond Peak with ease by making a reservation with one of our nearby lodging partners. There are lodging options of all levels to choose from in Incline Village, Crystal Bay, across North Lake Tahoe, Truckee, Reno, South Lake Tahoe, and Carson City.

The [Hyatt Regency Lake Tahoe Resort, Spa and Casino](#) is just minutes away and offers lift tickets, an in-house rental shop, complimentary shuttle service from the hotel, ski valet service, concierge, room service, and a great après ski atmosphere. The in-house Hyatt Sport Shop is fully stocked with winter essentials, equipment rentals, and Diamond Peak lesson packages so you can be ready for the slopes before you even leave the hotel. In addition, guests can enjoy access to the property's heated lagoon-style indoor/outdoor year-round pool and hot tubs, children's arcade, Grand Lodge Casino with a full array of table games or slot machines, Stillwater Spa, outdoor fire pits in every direction, fine dining at the Lone Eagle Grille, or casual dining at the Sierra Café, Cutthroat's Saloon or Tahoe Provisions. Book at <https://www.hyatt.com/en-US/hotel/nevada/hyatt-regency-lake-tahoe-resort-spa-and-casino/tvllt>

Alternatively, consider staying with Club Tahoe, a family-friendly townhome community located in the heart of Incline Village. Club Tahoe offers complimentary parking, a heated year-round pool, three-season tennis courts, and a charming clubhouse with billiards, games, fireplace, and meeting space. Diamond Peak's complimentary shuttle stops by daily. Book at [ClubTahoe.com](#).

Incline Village's options also include The Parkside Inn, a delightful property one mile from the ski resort with mountain decor, an indoor pool and a Diamond Peak shuttle stop. Book at [parksideinnatincline.com](#).

Diamond Peak is proud to collaborate with [Sun Bear Vacation Rentals](#) of Incline Village to offer ski and stay packages. Sun Bear offers a great selection of ski accommodations from lakeside to slopeside, with options that sleep up to 15 people together in one house.

There are also other local vacation rental companies for those looking to rent a ski house, condo or cabin for the weekend or the entire season. [Incline Vacation Rentals](#) has offices in Incline Village and partners with Diamond Peak.

Visit the "Plan a Visit" section on [DiamondPeak.com](#) for more information about our lodging partners, local area information, directions, and the Incline Village Ski Shuttle schedule.
